

AB SERIES

Aisle Bay

DESIGN

The Aisle Bay is a multi-purpose premium high performance fixture. It can be suspension mounted individually for specific task areas or multiple fixtures can be mounted in a continuous row. The low profile and compact design coupled with a high performance Miro4 reflector allows it to be adapted to a number of industrial and commercial applications.

ACCESSORIES

Order as separate line item

6' 16/3 CORD W/
NEMA PLUG
C1 (120V)

TECHNICAL INFORMATION

Fixture housing, lamp holder brackets, end sections, and channel cover are constructed of heavy gauge die-formed steel. Sturdy Miro4 reflectors effectively direct and control light. ETL listed. Suitable for damp locations. Ballasts are solid state electronic. Ballasts and lamp holders are replaceable without removing from ceiling. Can be mounted as single fixture or in a continuous row.
