Heavy Duty Emergency Light

ORDERING INFORMATION

Description	Part Number
6V 12W EMERGENCY LIGHT	HD6V6V(A)
12V 20W EMERGENCY LIGHT	HD12V12V(A)

Option Codes

(A) Options

- Blank - None
- SD - Self Diagnostic
- HT - Internal Heater
- SB12 - 12V 12W Sealed Beam Halogen
- SB20 - 12V 20W Sealed Beam Halogen

DESIGN

The HD Series Heavy Duty Emergency Light is a remote capable emergency light built for tough and dirty environments. High performance smooth thermoplastic reflector and plastic lens for optimal light distribution. Side and top conduit knockouts.

TECHNICAL INFORMATION

Fixture features an injection molded, engineering grade, V-0 flame retardant, high impact thermoplastic finish. Two adjustable 6V 12W or 12V 20W round lighting heads. Dual 120V/277V voltage. Charge rate/power "ON" LED indicator light and push-to-test switch for mandated code compliance testing. Low Voltage Disconnect (LVD) prevents battery from deep discharge. Internal solid state transfer switch automatically connects the internal battery to the lamp heads for minimum 90 minute emergency illumination.
